THE FUTURE OF FARMING

ROBOJA
Automation

MYOJA
Intelligence

PROJA
Productivity

Compact Series

6 YEARS WARRANTY

Truly Multi-purpose

This series of versatile tractors is designed to work with a variety of implements. Therefore, whatever be your farming needs, you will surely get excellent productivity.

Sprayer

It is designed to provide uniform high volume air output to deliver chemicals efficiently while using low load.

Rotary Tiller

Matching rotary tillers give you unmatched performance.

Plough (Tillage)

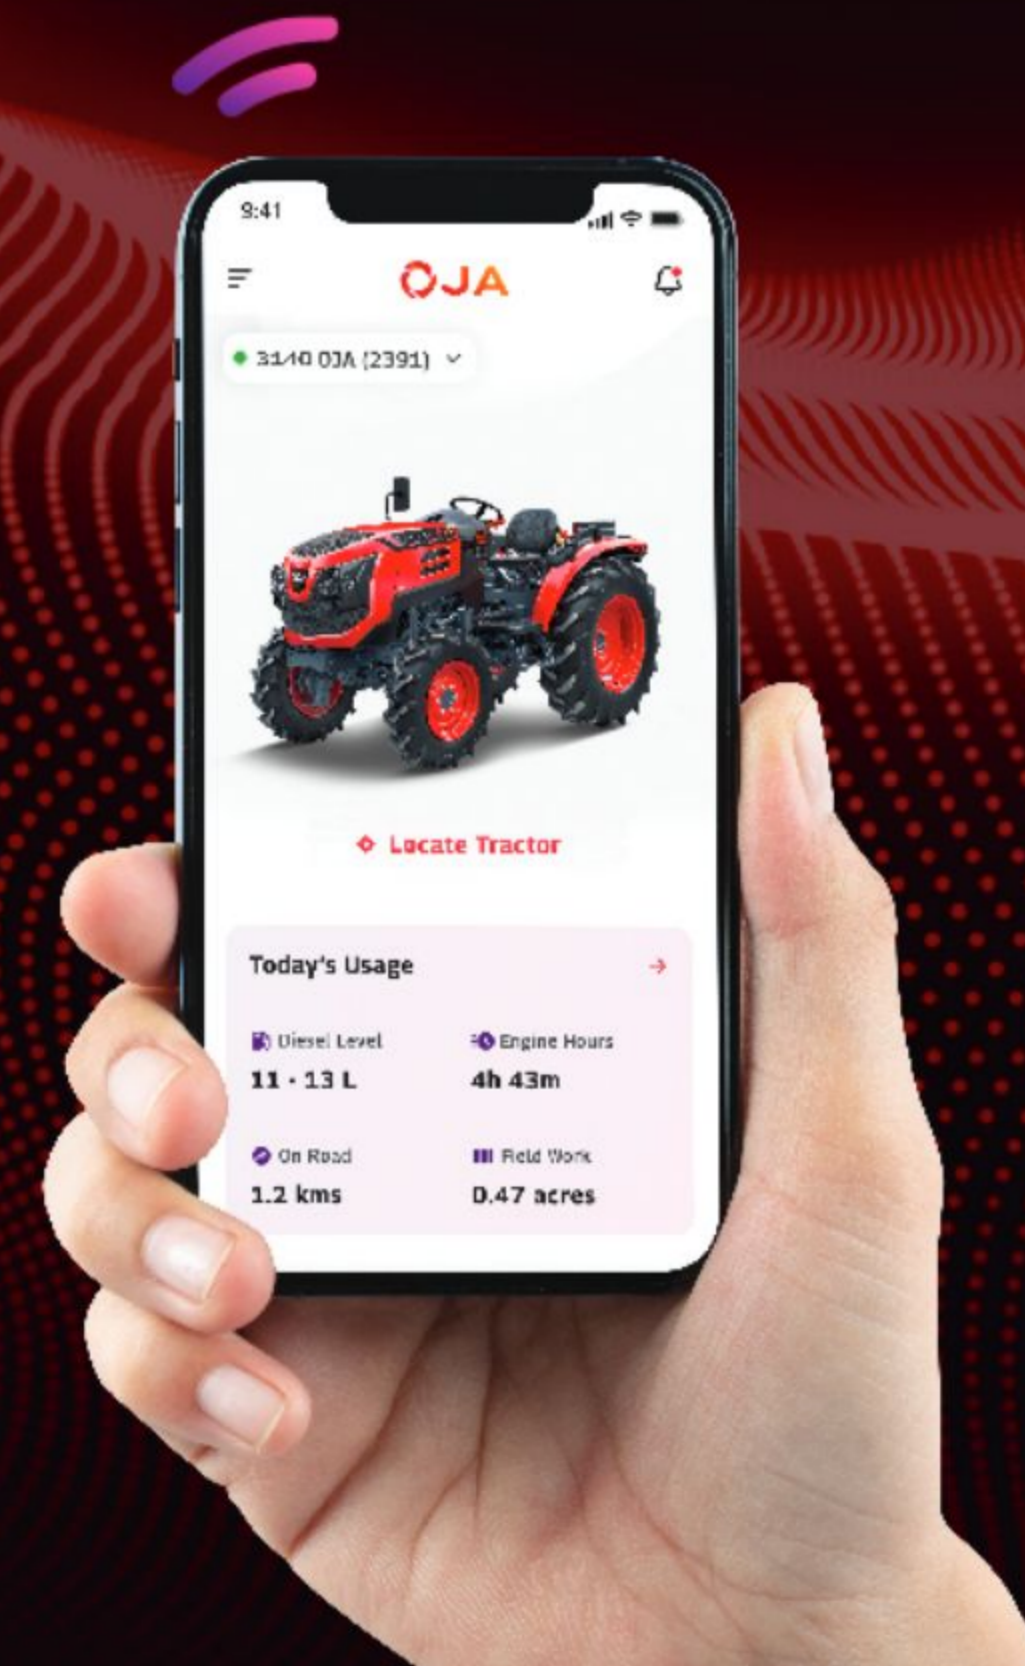

It is designed with the help of precise technology to provide deep and uniform digging and plowing.

Cultivator

It is equipped with best in class torque conversion which can pull the cultivator easily.

POWERHOUSE OF ENERGY

PROJA

Boost your production with PROJA

This productivity tech pack has great features that will definitely add value to its usage and bring you more revenue.

- Powerful 3DI engine
- ePTO
- F/R Shuttle
- Creepers

ROBOJA

Stay one step ahead with ROBOJA

This automation tech pack helps you eliminate human error, increase efficiency and reduce workload.

- Automate your farm
- Rejuvenate your farm
- Auto PTO
- Auto Implement Lift
- Auto One-Side Braking

MYOJA

Maintain control with MYOJA

This intelligent tech pack helps you monitor the health and performance of your tractor on a real-time basis.

- Live Location and Geofence
- Productivity Calculator
- diesel monitoring
- important alerts
- service alerts
